**Check ✓ Job Description/Classification(s)** for which you are interested in teaching.  
 If you are willing to work in **all subject areas** enter **“Yes”** \_\_\_\_\_ here. If you have entered “Yes”, do not complete the remainder of the classification code section and skip to #2 (location section).

**(Please Note:** When the system calls you for job descriptions/classifications outside the choices you’ve indicated above, it is because the system has already tried contacting all possible candidates for the assignment and it’s doing a desperate search. However, the system will never try to contact you for schools you have not indicated.)

**If you want to increase your schools/subjects then please choose all you want to work for. This list will supersede your previous choices if you have already completed a form before.**
